

On Sunday, November 7, 2021, the Town of Bedford, like all municipalities in Quebec, will be in the process of electing a mayor or a mayor as well as six councilors.

This democratic exercise is of great importance since these elected representatives will be called upon to ensure the administration and articulate the vision of our territory. To this end, citizen participation is strongly encouraged.

On this page, you will find information about the steps you can take in preparation for these elections, whether it is to apply or exercise your right to vote.

If more information is needed, you can contact the returning officer.

Information relating to nominations will be accessible to all electors at the following address: [www.electionsmunicipales.gouv.qc.ca](http://www.electionsmunicipales.gouv.qc.ca)

The returning officer,

Richard Joyal, B.A.A., OMA  
General manager
