COVID-19 Protective Measures - Risk Acceptance

In the context of the COVID-19 pandemic, Bedford Day Camp has put in place the protective measures detailed in the Parent Guide 2022 document, attached to this form, to minimize the risk of contagion and spread of the virus.

It is the responsibility of everyone, including children and their parents or guardians, to respect the protective measures put in place by Bedford Day Camp.

I have read the Parent Guide 2022 document and I agree to comply with it. I discussed the document with my child, explained to him what the measures are, and I educated him on the importance of following them. I understand and accept that the Bedford Day Camp cannot guarantee an environment free of COVID-19, which is free from contamination or contagion.

I have read this document and accept its content.

I am interested in having my child participate in educational activities.

To help us improve the Bedford Day Camp, this space allows you to give us some ideas for activities, for improvement and your expectations.
